

CBC YOUTH

DISCIPLESHIP GROUP LEADER

2020-2021
LEADERSHIP POSITIONS

The Disciple Group (DG) leader is responsible for shepherding a small group of students throughout the year. This role serves as a direct coach, mentor, and discipler for the students on a weekly basis. Their roles include organizing meeting times, provide biblical counsel and training, as well as serving as a consistent anchor in their life.

COLLEGE SPONSOR

Your role is to provide the support for the DG in addition to the group leaders. Work with your group leaders to make sure all of your students are cared for that week. In addition to praying for each member of your DG, get your college community to come alongside of you to love and support your DG.

ADMINISTRATION

Administration team is a part of the youth leadership team that handles the logistics and admin work that allows the ministry to flourish. Administration team handles finances, communication to parents and the general church, legal and policy documents, and more.

TEACHING TEAM

This position is for those who desire and are qualified or willing to be trained in more formal classroom-type settings. They must be able to prepare with excellence and able to present the material in a manner where the students are able to understand and receive the material well. Currently, our teaching times will be mainly ACCESS and YOUTH PRAISE.

CBC YOUTH

2020-2021
LEADERSHIP POSITIONS

HOSPITALITY TEAM

This team has the special privilege of caring for the leaders who are immediately working with the students (i.e. DG leaders, College Sponsors, and the Teaching Team). They check up on them to make sure they are cared for, resourced, and appreciated.

PARENTS MINISTRY

This is an extremely important position for our leadership team because we believe that a healthy and successful youth is largely dependent on the discipleship given to them by their parents. Our role is to come alongside each family to equip them in order that they can disciple their student more faithfully.

RESEARCH AND DEVELOPMENT

This team is on the cutting edge of youth ministry. Their responsibility is to keep our youth ministry up-to-date on the latest student, culture, and theological research in order to help the youth ministry minister to students and families in their immediate context. They cover topics such as: sexual revolution, social and political issues, entertainment, influencers and celebrities, new thoughts in Christian theology, etc.

STUDENT TRAINING TEAM

This team is specialized in training students in areas such as: worship, leadership, care, and missions. They set up separate and additional meetings with the youth in order to develop the youth for the sake of ministry and their own personal development.
